Powering Precision, Driving Innovation

ARMSTECH TECHNICAL SERVICES CO. LLC is a UAE-based company with over 6 years of global industrial experience. Specializing in district cooling and cooling towers, electromechanical services, facility management, and the oil & gas sector, ARMSTECH is dedicated to delivering high-quality technical solutions. The company prides itself on its expertise, ensuring efficient, reliable, and innovative services to meet the diverse needs of its clients across industries. With a strong focus on sustainability and cutting-edge technology, ARMSTECH is a trusted partner in delivering excellence in industrial services.

OUR MISSION

To deliver innovative, reliable, and sustainable solutions in district cooling, electromechanical services, facility management, and oil & gas industries. We are committed to exceeding client expectations through technical excellence, unmatched service quality, and a relentless focus on safety and environmental responsibility.

OUR VISION

To be a leading global provider of technical services, recognized for our expertise, innovation, and commitment to sustainability. We strive to empower industries with cutting-edge solutions that drive operational efficiency, environmental stewardship, and long-term growth.

OUR COHESION

We believe in the power of teamwork and collaboration. At ARMSTECH, our diverse teams of experts work seamlessly together to overcome challenges and achieve common goals. Through open communication, trust, and mutual respect, we foster a culture where every member contributes to our success and that of our clients.

OUR COMMITMENT:

We are committed to delivering excellence in every project we undertake. From quality workmanship to safety adherence, our dedication to maintaining the highest standards is unwavering. Our clients can count on us for reliable solutions, transparent processes, and a long-term partnership that adds value to their operations.

OUR DRIVE:

Innovation and continuous improvement drive everything we do. At ARMSTECH, we push boundaries, embrace cutting-edge technology, and challenge conventional approaches to deliver more efficient and sustainable solutions. Our passion for excellence motivates us to always go the extra mile for our clients, ensuring their success is our success.

OUR SERVICES

1. DISTRICT COOLING AND COOLING TOWERS:

- Custom design of district cooling plants and cooling towers.
- Installation of cooling towers for large commercial and industrial complexes.
- Supply of cooling tower spare parts.
- Turnkey solutions for chilled water distribution networks.
- Regular maintenance of cooling towers and chillers.
- Performance optimization for energy efficiency.
- Annual Maintenance contracts.
- Retrofitting existing systems for improved performance and sustainability.
- Mechanical Alignment

2. ELECTROMECHANICAL SERVICES:

- Mechanical Repairs
- Preventive maintenance
- Equipment installation and commissioning
- System overhauls
- Emergency response services
- Consulting and technical services
- Troubleshooting and Repairs
- Retrofit and upgrade service

3. FACILITY MANAGEMENT:

- Electrical, plumbing, and HVAC maintenance services.
- General repair and upkeep of building structures and equipment
- Energy monitoring and efficiency programs.
- Annual maintenance contracts
- Renewable energy solutions such as solar panel installations.

- Installation and maintenance of pipelines and storage tanks.
- Fabrication and repair of mechanical components for oil and gas facilities.
- Shutdown and turnaround services for oil refineries and gas processing plants.
- On-site inspection, repair, and maintenance of critical equipment.
- Equipment Installation and alignment

HEALTH SAFETY & ENVIRONMENT POLICY

At ARMSTECH TECHNICAL SERVICES CO. LLC, we are deeply committed to the health, safety, and environmental well-being of our employees, clients, and the communities in which we operate. We uphold strict safety protocols, provide regular training, and enforce the use of personal protective equipment (PPE) to ensure a safe working environment. Every team member is responsible for following safety guidelines and contributing to a culture of accountability that prioritizes the well-being of everyone involved.

We believe that every incident and environmental impact can be prevented through proactive risk management. By continuously assessing potential hazards and environmental risks, we implement effective controls to minimize their impact. We encourage open communication, requiring prompt reporting of any unsafe conditions or environmental concerns. Every incident is investigated, with corrective measures taken to improve our safety and environmental performance, driving continuous progress toward our zero-incident goal.

In addition to safety, we are dedicated to protecting the environment through sustainable practices. We integrate environmental stewardship into our operations, focusing on reducing waste, conserving energy, and minimizing our ecological footprint. By prioritizing both safety and environmental responsibility, we aim to create a workplace where employees not only feel secure but also contribute to a sustainable future for the industries we serve.

QUALITY POLICY

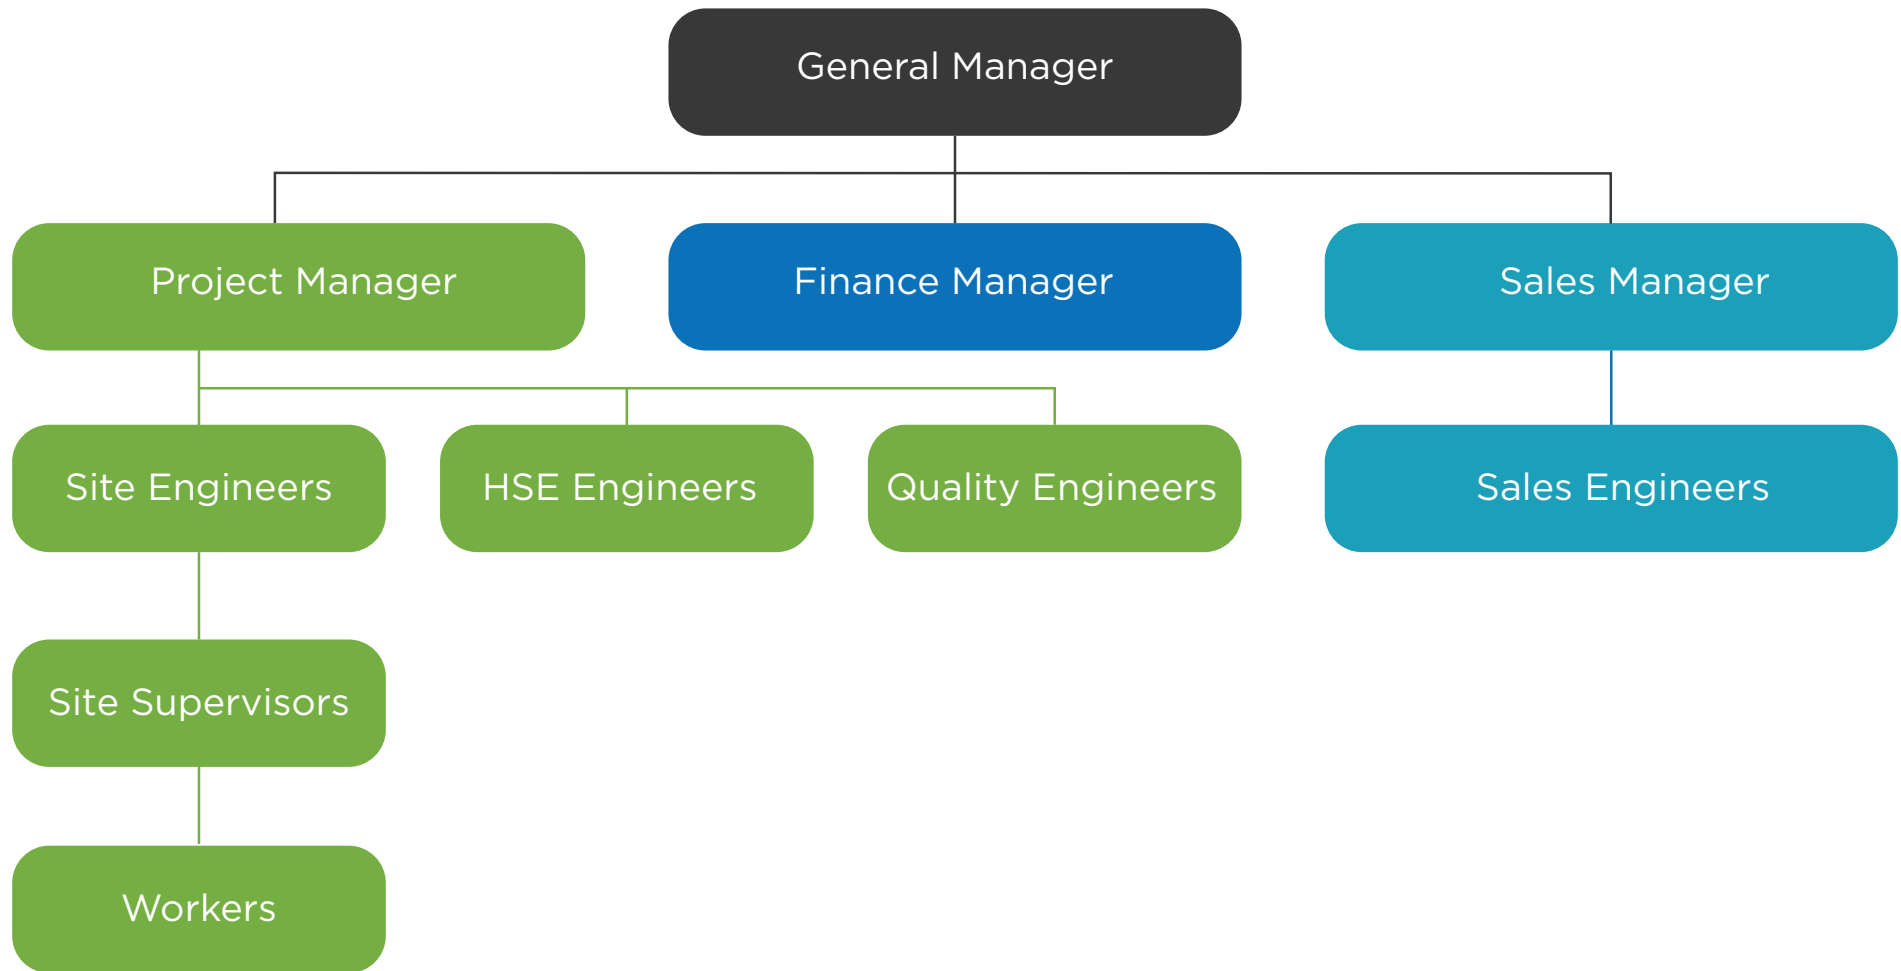

At ARMSTECH TECHNICAL SERVICES CO. LLC, our commitment to quality is at the core of everything we do. We are dedicated to delivering superior technical services that consistently meet or exceed the expectations of our clients. Through continuous improvement, attention to detail, and a client-focused approach, we strive to provide reliable, innovative, and efficient solutions across all sectors we serve, including district cooling, electromechanical services, facility management, and oil & gas.

Our goal is to ensure that every project is completed to the highest standards of quality, on time, and within budget. We achieve this by maintaining robust quality control systems, engaging highly skilled personnel, and utilizing best-in-class technologies. Each team member plays a vital role in upholding our quality standards, and we foster a culture of excellence through ongoing training, performance evaluation, and adherence to best practices.

We are committed to the continuous improvement of our processes, products, and services. By regularly reviewing and refining our quality management systems, we ensure that ARMSTECH remains a trusted partner, delivering value and maintaining long-term relationships with our clients. Our focus on quality drives us to maintain operational excellence and to provide solutions that stand the test of time.
